

# Race for a Cure 5K

Hosted by Georgia Southern Association of Pre-Health Professionals

Georgia Southern Association of Pre-Health Professionals (APHP) proudly presents the fourth annual Race for a Cure. This event will help raise money for the American Cancer Society's national fundraising event Relay for Life, while at the same time promote wellness within the Bullock County community and surrounding areas. It is a worthwhile life giving project of HOPE that can help save lives now and in the generations to come. We invite you and your families to join us in the fight against cancer.

## Need some quick volunteer hours or just looking for something to do on Saturday morning?
