

August 2010

Friends & Family,

Alpha Omicron Pi is a Women's Fraternity based upon the ideals of character, dignity, scholarship and college loyalty. But most importantly, our organization prides itself on our philanthropic efforts benefiting Juvenile Arthritis and Arthritis Research. This debilitating disease affects more than 46 million Americans (1 in 5 adults) and nearly 300,000 children. Currently, there is no cure.

It is our pleasure to inform you of our upcoming event that will raise monetary donations as well as awareness for Juvenile Arthritis and Arthritis Research. This year, Alpha Omicron Pi will be hosting our 2nd 5k Race, **Run for the Roses!** On **Saturday October 16th, 2010** the Statesboro and surrounding communities will be invited to join us for AOPI's Run for the Roses race! At **10:00 A.M.** the 5k race will begin! Our Run for the Roses Race will be held at the **Recreation Activity Center on Georgia Southern University's** campus.

To ensure the success of our philanthropy, the sisters of Alpha Omicron Pi kindly ask for your support. We would be honored to have you and your loved ones participate in our Race on October 16th!! Feel free to invite friends, family and coworkers! If you are unable to attend, please consider making a contribution. Any donation, whatever the amount, would be greatly appreciated. All proceeds will be donated to the Arthritis Foundation benefiting Juvenile Arthritis and Arthritis Research! Remember - Kids Get Arthritis Too! Please contact us with any questions that you may have! We look forward to hearing from you!

Thank you for your consideration.

Sincerely,

Katie Winskey
